

DREAMER HOUSE

Mission 1 of 7

A RESTAURANT

We want you to draw a restaurant,
but this restaurant is no ordinary restaurant.

This is a restaurant of all of your favourite foods ever!

We want you to make two things for us

1. A menu of 5 of your favourite things to eat and drink, ever.
2. A drawing of a restaurant that is inspired by your menu.

For example: "The walls are made of ice-cream, and the waiters have grapes for a head".

What does the tables and chairs look like? What do the waiters serving food look like? What does the flooring feel like? What can you family see, hear, taste, touch and smell in the restaurant?

When you're done, film yourself as you present your drawings. To the camera, explain why you've picked these smells!

We can't wait to see your drawings.

Lots of love,
Dreamer House
