

# DREAMER HOUSE

**Mission 4 of 7**

## **A LIBRARY**

We want you to draw a library...  
...but this library is no ordinary library.

This is a library of smells.

The library is broken into three parts:

1. Smells that make you happy...
2. Smells that make you sad...
3. Smell that make you laugh!

We need you to draw all three parts of the library and tell us:

1. What are the smells in each part?
2. What does the library look like?

When you're done, film yourself as you present your drawings. To the camera, explain why you've picked these smells!

We can't wait to see your drawings.

Lots of love,  
Dreamer House
